INTERROGATORIES

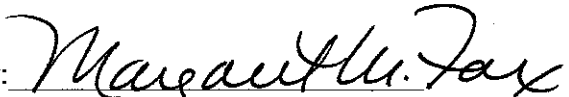

- 2-1 Is TWCIS or any affiliated company currently providing Digital Phone interconnected VoIP services or Business Class Phone interconnected VoIP services to customers in St. Stephen's service area?
- 2-2 If the answer to 2-1 above is "yes," on what date did TWCIS or the affiliated company begin providing Digital Phone service in St. Stephen's service area? On what date did it begin providing Business Class Phone service in St. Stephen's service area?
- 2-3 If the answer to 2-1 above is "yes," how many customers are currently being provided with Digital Phone service in St. Stephen's service area? How many with Business Class Phone service in St. Stephen's service area?
- 2-4 Does TWCIS intend to seek direct interconnection with St. Stephen?
- 2-5 If the answer to 2-4 above is "yes," what telecommunications services will be exchanged or provided over the interconnected facilities?

- 2-6 Please provide the following information for TWCIS' "high capacity private line, point to point transmission/telecommunications service" ("HCPLPPTS") offered in South Carolina:
- Number of customers currently receiving HCPLPPTS from TWCIS;
 - Number of customers by type of HCPLPPTS provided;
 - A detailed description of the ICB arrangement for each customer, if the ICB differs among customers.
- 2-7 Identify all entities which have entered or plan or contemplate to enter into a partnership, LLC, joint venture or contractual relationship for the purpose of engaging in the provision of Digital Phone, Business Class Phone, or HCPLPPTS service by TWCIS in the area served by St. Stephen.
- 2-8 In TWCIS' Application, HCPLPPTS is referenced as a "non-voice" transmission/telecommunications service. Please confirm that HCPLPPTS is a "non-voice" service for purposes of this application.
- 2-9 Does any Time Warner Company use assets owned by any subsidiary or division of Time Warner Inc. in order to provide HCPLPPTS? If so, please identify the subsidiary (hereinafter for purposes of this set of Interrogatories defined as "Time Warner Cable") and describe what assets are used.
- 2-10 If the answer to 2-9 is "yes,"
- Please describe the network components where the Time Warner Company connects or interconnects with Time Warner Cable in order to use this network facility for the provision of HCPLPPTS.
 - Does Time Warner Cable charge the Time Warner Company for using this cable as described above? If yes, how much does Time Warner Cable charge the Time Warner Company to use this cable?
 - Is Time Warner Cable willing to provide the same network assets to other carriers other than the Time Warner Company? If not, why not?
- 2-11 Are the HCPLPPTS services offered on a common carriage basis? If so, how does TWCIS demonstrate that services are non-discriminatory to customers?
- 2-12 In response to Interrogatory 1-9, TWCIS states that it will continue to use Sprint for interconnection of TWCIS' retail VoIP services, if the application is granted. Please respond to the following:
- Does TWCIS plan on obtaining numbering resources directly from NANPA?
 - If TWCIS were certified, what would prevent it from obtaining numbers directly?
 - What arrangements does TWICS anticipate making in order to connect to St. Stephen's network?

- 2-13 In response to Interrogatory 1-9(i), TWCIS states that wholesale services "will be" tariffed. Will that tariff be the same as the tariff submitted with the application?
- 2-14 In response to Interrogatory 1-11, TWCIS states that its wholesale HCPLPPTS services are not in a predetermined network configuration but will be provisioned on an ICB basis. Please answer the following:
- a. Does the TWCIS HCPLPPTS include transport over a specific distance between the customer locations or TWCIS locations? If so, does overall price of the service to the customer vary based on the distance between the locations?
 - b. Does the TWCIS HCPLPPTS provide options for termination of the transport at each of the end points? Does the overall price of HCPLPPTS to the customer vary based on the number and type of terminations?
 - c. Does TWCIS use more than one type of technology to provide HCPLPPTS? If yes, how many different technologies does TWCIS use and what are they?
 - d. Please provide examples of circumstances that make the provision of HCPLPPTS unique to individual customers that have driven TWCIS to price HCPLPPTS exclusively on an Individual Case Basis.
- 2-15 How many retail HCPLPPTS customers does TWCIS project within the next 2 years?
- 2-16 How many wholesale HCPLPPTS customers does TWCIS project within the next 2 years?
- 2-17 In response to Interrogatory 1-16, TWCIS states that Time Warner's New Hampshire affiliate has not paid certain access bills due to "erroneous charges." Please respond to the following:
- a. How many such bills with "erroneous charges" are there?
 - b. Have these disputes been settled between the parties or have third parties been required to settle the dispute?
 - c. How many of the disputes are pending?
- 2-18 In response to Interrogatory 1-18, TWCIS states that Sprint provides 911 service to TWCIS for its interconnected VoIP service customers. Does Sprint populate the 911 database with the customer location?
- 2-19 Does TWCIS itself own any physical telecommunications facilities in South Carolina? If yes, please describe.
- 2-20 With respect to Section 3.4.1 of the tariff filed with TWCIS' Application, please respond to the following:
- a. The tariff states that HCPLPPTS "may" utilize Ethernet interfaces, optical fiber, and/or coaxial cable facilities. Are there any other options for the customer? Who determines which facilities will be used? Are there standard interfaces used for the Ethernet, fiber or coax facilities?

- b. This section also states that HCPLPPTS connections are scalable from 1 Mbps to 10 Gbps. Are standard increments used or will TWCIS support any increment of bandwidth?
- c. Does TWCIS warranty any standards of performance of the HCPLPPTS transmission circuits?
- d. Please define "non-discriminatory access" as used in this tariff section.
- e. Please define "non-discriminatory rates" as used in this tariff section.

Respectfully submitted,

By:
